

# Lakeside Lutheran Preschool

March 19, 2020

With jobs being redefined and a new normal for everyday life in the United States, Lakeside Lutheran Preschool needs to address the current pandemic at hand. Due to current circumstances, drop in enrollment, the virus and wellness of children, families and staff we feel it imperative to close the school until April 15, 2020, beginning Monday, March 23, 2020.

This has not been an easy decision to address and or come to as it a tremendous blessing to partner with you in the growth and development of your child. Please note we will keep you informed over the next 3 weeks as information becomes available.

David Dahlke
